

PYC 2010 Winter Storage Application

Winter boat storage at PYC is subject to the following rules and conditions:

1. Winter yard storage is available only for members, and shall be provided only to members who have submitted a written application to the Financial Secretary, accompanied by payment in full for their calculated haul, storage and launch fees. Assignment of haul-out dates and allocation of yard storage space will be allowed only for members whose applications and payments have been received and who have no payments in arrears.
2. In the event of limited yard storage space, applications of members who used yard storage the previous year will be given preference if received by September 15. After September 15, applications will be honored on a first-come, first-served basis. Applications for inside storage must be approved by the House Chairman to ensure there is available space for storage.
3. No boats over 50 feet in length or 25-ton weight can be hauled out on the travel-lift.
4. Sling position marks must be clearly placed on all boats which are to be launched or hauled with the travel-lift.

Procedure for winter storage applicants:

1. Submit application with full payment to the Financial Secretary.
2. Determine a suitable haul out date by referring to tide tables and haul out dates available.
3. Verify your haul out date with the Steward and enter it on the haul out signup list in the clubhouse.
4. The Steward will transfer your scheduled haul out date to the official haul out calendar in the Clubhouse.
